

POLICE AND CRIME COMMISSIONER FOR NORTHUMBRIA

Key Decision

Title and Reference – PCC.229.2016

Retention of Marine Unit Premises, Viking Park, Jarrow

Report of the Director of Strategic Asset Management

Summary

The Estates Strategy previously envisaged the disposal of this property, however having reconsidered the potential market for training and a review of operational needs, it is now felt that the asset should be retained, whilst the case for the training proposal is pursued over the next two years and the position then reviewed.

Recommendations / Findings

It is recommended that the Commissioner agrees to retain Viking Park for operational purposes and to also assess the potential market for training over the next two years. The property is to be also removed from the proposed disposal schedule with the position then being revisited in two years' time.

(These papers are exempted under Paragraph 3 of Schedule 12A to the Local Government Act 1972

Northumbria Police and Crime Commissioner

I hereby approve the recommendation above.
