OPCC Management Group Meeting:

Start: 8.30am

Finish: 9.25am

In attendance: Vera Baird QC (Police & Crime Commissioner)
Mark Dennett (Deputy Police & Crime Commissioner)
Elaine Snaith (Interim Chief Executive)
Richard Heron (Solicitor)
Scott Duffy (Executive Assistant)

Police & Crime Commissioner, Vera Baird QC, opened the meeting.

As the agenda was related to legal issues only, there was no need for John Leslie or Mike Tait to attend.

Mr Heron gave an overview of the Late Night Levy documentation as received from Newcastle City Council and how this links in to the legislation which was presented to and agreed by Parliament.

After discussion, it was agreed that a Mr Heron would send a letter to Stephen Savage on behalf of the Police & Crime Commissioner, welcoming his letter but seeking further clarification on a number of points.

The Interim Chief Executive presented correspondence from a constituent on behalf of someone else. Due to personal details, it was recommended by the solicitor that the constituent be advised that he cannot act on behalf of someone else without their permission. The OPCC checked whether any permission was held on file at this office and it was not.

The PCC went on to discuss a number of other issues with Mr Heron relating to individual matters.

Meeting closes at 9.25am
