25 November 2020

Mr Cameron Waddell
Mazars LLP
Salvus House
Aykley heads
Durham
DHI 5TS

Dear Cameron,

Chief Constable for Northumbria - audit for year ended 31 March 2020

This representation letter is provided in connection with your audit of the financial statements of the Chief Constable for Northumbria (the ChiefConstable) for the year ended 31 March 2020 for the purpose of expressing an opinion as to whether the financial statements give a true and fair view in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20 (the Code) and applicable law.

I confirm that the following representations, to the best of my knowledge and belief, are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy ourselves that I can properly make each of the following representations to you.

My responsibility for the statement of accounts and accounting information

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the financial statements in accordance with the Code and applicable law.

My responsibility to provide and disclose relevant information

I have provided you with:

- access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other material;
- additional information that you have requested from us for the purpose of the audit; and
- unrestricted access to individuals within the Chief Constable's office you determined it was necessary to contact in order to obtain audit evidence.

I confirm as Chief Finance Officer that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information.

As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

Accounting Records

I confirm that all transactions that have a material effect on the financial statements have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all Chief Constable and committee meetings, have been made available to you.

Accounting policies

I confirm that all transactions that have a material effect on the financial statements have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all Chief Constable and committee meetings, have been made available to you.

Accounting estimates, including those measured at fair value

I confirm that any significant assumptions used by the Chief Constable in making accounting estimates, including those measured at current or fair value, are reasonable.

Contingencies

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
- the amount of the loss can be reasonably estimated.

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date.

There are no contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the Chief Constable have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with the Code and applicable law.

Laws and regulations

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom.

The Chief Constable has complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

Fraud and error

I acknowledge my responsibility as Chief Finance Officer for the design, implementation and maintenance of internal control to prevent and detect fraud and error.

I have disclosed to you:

- all the results of my assessment of the risk that the financial statements may be materially misstated as a result of fraud;
- all knowledge of fraud or suspected fraud affecting the Chief Constable involving:
 - management and those charged with governance;
 - employees who have significant roles in internal control; and
 - others where fraud could have a material effect on the financial statements.

I have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the Chief Constable's financial statements communicated by employees, former employees, analysts, regulators or others.

Related party transactions

I confirm that all related party relationships, transactions and balances, have been appropriately accounted for and disclosed in accordance with the requirements of the Code and applicable law.

I have disclosed to you the identity of the Chief Constable's related parties and all related party relationships and transactions of which I am aware.

Charges on assets

All the Chief Constable's assets are free from any charges exercisable by third parties except as disclosed within the financial statements.

Impairment review

To the best of my knowledge, there is nothing to indicate that there is a permanent reduction in the recoverable amount of the property, plant and equipment below their carrying value at the balance sheet date. An impairment review is therefore not considered necessary

Future commitments

I am not aware of any plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

Subsequent events

I confirm all events subsequent to the date of the financial statements and for which the Code require adjustment or disclosure have been adjusted or disclosed.

Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly.

Unadjusted Item

An issue raised by you on 20 November 2020 regarding the assurance work carried out in respect of the Tyne and Wear Pension Fund is detailed at Appendix A. I can confirm that this issue has not been subject to an adjustment in the Chief Constable's financial statements as the potential value is not material.

Going concern

I confirm that I have carried out an assessment of the potential impact of the COVID-19 Virus pandemic on the Chief Constable of Northumbria, including the impact of mitigation measures and uncertainties and I am satisfied that the going concern assumption remains appropriate and that no material uncertainty has been identified.

To the best of my knowledge there is nothing to indicate that the Chief Constable will cease to continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

Yours faithfully,

Mike Tait
Chief Finance Officer

Date 25/11/20

Unadjusted Item:

Assurance work completed with regards the Tyne and Wear Pension Fund

The following issue was raised by Mazars LLP on 20 November 2020:

Having reviewed the work of the pension fund auditor, they have identified several differences between:

- asset values submitted to the actuary i.e. the actuary's were higher than those per the ledger; and
- asset values in the ledger were higher than confirmations from fund managers.

Essentially, this would appear to mean that assets submitted to the actuary were £26.665 million higher than confirmations from fund managers. Furthermore, this does not include a further investment where they were unable to get a confirmation from the fund manager. Therefore, there is a difference in asset values of circa £27 million in total across all employers.

The share of scheme assets attributable to the Chief Constable for Northumbria is approximately 3.830% of total scheme assets. The misstatement is therefore approximately £1.021m.

Confirmation of Unadjusted Item:

This item has not been subject to an adjustment in the Chief Constable's financial statements as the potential value is not material.
