

## PAPER FOR DECISION

### POLICE AND CRIME COMMISSIONER FOR NORTHUMBRIA

#### Title and Reference – PCC.183.2015

Storage Area Network Replacement and Change to the Capital Programme 2015/16

#### Summary

The current Capital Programme 2015/16 to 2017/18 includes a provision for the refresh of SAN equipment 2016/17 at an estimated cost of £550k.

Data storage systems are now approaching capacity and at the end of the warranty period.

It is therefore proposed that the refresh of SAN is brought forward from 2016/17 to 2015/16. Procurement will be undertaken via a National Government Framework and the procurement exercise and installation will be completed this financial year.

#### Recommendation

To agree:

- (i) the SAN replacement be brought forward and added to the 2015/16 Capital Programme.
- (ii) the Procurement exercise can commence; and
- (iii) to receive a further report on the conclusion of the Procurement Exercise.

**(These papers are exempted under Paragraph 3 of Schedule 12A to the Local Government Act 1972)**

#### Northumbria Police and Crime Commissioner

I hereby approve the recommendation above.
