

Title and Reference - PCC.196.2015

Subject: Provision of Replacement Local Area Network (LAN) & Telephony Services

Report of: Joint Report of Director of Finance and Director of ICT

Date: 10 December 2015

Summary

To advise of the Tenders received and evaluation outcome for the contract for the provision of a replacement LAN Service.

Recommendation

To award a contract to British Telecommunications, offering the most economically advantageous tender for the provision of a Local Area Network (LAN), subject to standstill, due diligence of the technical solutions and agreement of contracts.

(The background papers are exempted under Paragraph 3 of Schedule 12A to the Local Government Act 1972)

Northumbria Police and Crime Commissioner

I hereby approve the recommendation above.
